CHEAP RATES FOR EXCURSION

Around Oahu by rail and auto for two dollars and ninety cents is the trip offered by the Public Service Association to the members of the Trail and Mountain Club. The rate for the day, January 7th will be the first of a series of cheap week end outing excursions engineered by the Public Service Association and the Trail and Mountain Club.

The Trail and Mountain Club will send along its best guides and racetracks to tell those who wish to know the legends of the places that are passed by train or visited by auto bus. The story of Kalluwa falls will be told at the big swimming pool at its base, and the legends of the once populous valleys will be narrated as they are passed. Arrangements are in progress with the Oahu railway to allow a few moments visit to the Heiau beyond Haleiwa. Those who wish may also visit a sugar mill and a plantation camp. Those who know the island will not need the guides, but they will be there for those who wish information.

The excursionists will leave Honolulu in two sections of twenty-five each, one section will start at 8:30 from the Oahu depot by rail, the other at 8 a. m. from the Public Service rooms by auto bus. The two sections will meet Koolau and pass each other. Two hours will be spent by either party at the Kalluwa falls or Hauia where lunch may be had. The party starting by train will have an hour at Haleiwa for a swim, or lunch before noon. The party starting over the Pali may stop off at the Haleiwa hotel on the return and remain for dinner, leaving on the 8 p. m. limited and arriving in Honolulu at 10 p. m., or it may go right through and arrive at 5:30 p. m. The party returning by auto bus will reach Honolulu in time for dinner. Each party will be limited to twenty-five, but if there is an overflow a Saturday round the island excursion will be arranged.

The rates for the excursions to Trail and Mountain members will be \$2.90, to members of the Civic Federation, Hands Around the Pacific, Hundred Thousand and Outrigger Clubs, will be \$3.75 as these are supporting members of the Public Service Association; the price of tickets to the general public will be \$3.90. A large number of the tickets have already been subscribed for and a number of ladies will be in the party. Reservations may be made with Mr. C. F. Maxwell at the public service rooms 120 King street.

NEW DICTIONARY IS MODEL WORK OF KIND

Laird & Lee's Webster's New Standard Dictionary, just received in the mails, is without doubt the most comprehensive and up-to-date for its size yet put out. It is in the "high school and collegiate edition" and handy for desk and home use.

How fully up-to-date the vocabulary of this new dictionary really is in recording the latest terms in current use, is shown by the inclusion of such words as "aeronef," "ailleron," "aircraft," "motordrome," "serology," "septophone," "syndicalism," "volplane," etc.—words not to be found in any similar priced dictionary. Not only are all the new words succinctly and precisely defined, but the newest applications of the old words are given, reflecting their latest meanings.

One of the many excellent features of the work is the plain and complete manner in which everything is presented. Every vocabulary word is placed in strictly alphabetical order and phonetically respelled for pronunciation.
